

Lanchester Parish Council

Annual Report 2007 / 08

Welcome to Lanchester Parish Council's Annual Report.

This report describes the main achievements of Lanchester Parish Council during 2007 / 08 . It also gives details about the services provided by the Council.

Overview by Chair

The Annual Report provides me with an opportunity to review the last 12 months.

The year began with the local elections in May. Fifteen councillors were elected to represent Lanchester on the Parish Council. Names and contact details of the selected councillors can be found overleaf.

Work continues on forging links with the Unitary Authority which is due to come into operation in April 2009.

Within the Village, the Christmas lights were once again a great success. In addition the Village Map information point was installed and a new bus shelter erected.

The Parish Council continued to establish and develop valuable partnership working to ensure services are provided effectively.

Lanchester Parish Council are looking forward to exciting developments in 2008 / 09.

The emergence of the new Unitary Authority in 2009 will mean that the coming year will provide opportunities for partnership working and sharing of good practise and information.

The Parish Council has made a commitment to work towards Quality Status which would result in increased communication with residents, best value provision of services and opportunities to engage in further provision of services.

The Parish Council are working with local groups to finalise details of a new play area at Kitswell Road and have already identified monies through balances to part fund the scheme.

Councillor Neil Fleming
Chair of Lanchester Parish Council 2007 / 08
