

Lanchester Parish Council

Annual Report 2008 / 09

Welcome to Lanchester Parish Council's Annual Report.

This report describes the main achievements of Lanchester Parish Council during 2008 / 09 . It also gives details about the services provided by the Council.

Overview by Chair

The Annual Report provides me with an opportunity to review the last 12 months.

This year has seen a great deal of change, both internally and externally. Internally, new appointments for both employees of the Council have been made. Externally, important work continued on developing links with the Unitary Authority which came into operation in April 2009.

Following the appointment of a Lead Officer to the Parish Council in April 2008, a number of key policies and procedures have been put into place and the Council is now working towards attaining Quality Status.

This year has seen the introduction and production of an Annual Report and a quarterly Council Newsletter both of which have been distributed widely throughout the community.

The Parish Council is keenly involved in the newly established Area Action Partnership which provides the opportunity for the Local Council voice to be heard at the County Council and local decisions affecting local communities to be made.

Within the Village, the Christmas lights and summer hanging baskets once again showed off the Parish to its best.

The carving of a Roman Legionary was erected on the Lanchester Valley Walk. The culmination of a local project, the Parish Council have agreed to maintain the artwork.

The Parish Council in partnership with Lanchester Partnership and the Young Peoples Group finalised details of the new bike track and play area at Kitswell Park. Following successful planning permission, the contractors commenced work in January 2009. The new facilities which complement the cricket and rugby provision already located at Kitswell Park were opened at a well attended launch event in April and the bike track and play area are currently being heavily used by local children. The scheme which cost approximately £100,000 demonstrated successful partnership working and attracted several substantial sources of funding.

Chair of Lanchester Parish Council 2008 / 09
